深圳市亿声创想电子有限公司  
ECEEN ELECTRONIC LIMITED

# Introduction

## About US

ECEEN ELECTRONIC LIMITED Established in 2007. ECEEN is our brand. It is a high-new technology factory of specially producing about solar bag, solar charger, portable battery, solar system etc solar series.

At present, our company concentrates on solar bag, solar system, portable battery, etc series. We also take OEM, ODM and SKD orders from renowned companies at home and abroad. With a factory space of 1,000 square meters, our company has over 50 employees, advanced development equipment and comprehensive test facilities. Attaching great importance to quality. During the past several years, our company has gained a very high reputation in the industry with excellent development, production, sales capability and premium quality.

Beside our ECEEN ELECTRONIC LIMITED sell more than 100 kinds of products on offer. Our extensive catalog ranges from solar bag, solar system, portable battery. We offer ODM services for more than 100 clients; all of them satisfied. Our talent engineers are here to work with you to develop new products, especially those with special functions. We can get a sample ready in just five to seven days. OEM orders are also welcome.

To facilitate your sourcing need, most of our products are RoHS-, CE- and FCC-certified, and eighty percent clients place repeat orders from us. Learn more about the services we offer, contact us today.

- Easy online ordering.
- Wholesale discounts: excellent margins for you.
- Shipping direct to your warehouse. (Door-to-Door)
- Drop-shipping available direct to your customers.
- Choose how you like to pay. (West Union, PayPal, Bank Account)
- Our friendly English-speaking team is always ready to help you out with importing procedures, product questions and technical support.
- **Worldwide Shipping:**  
All goods are shipped to you direct from China. Shipping costs are based on the current rates of carriers such as UPS, FedEx, DHL, TNT, etc. Do you have a better way? We will, if you choose, use your preferred air or ocean freight forwarding service to deliver your merchandise to your desired location.
- **Warranty:**  
Everything we ship is quality inspected by us in-house, in addition to the normal factory QC. This means you have peace of mind about the quality of the products you're buying. All the products we sell come with a minimum one-year warranty.
- **Competitive Prices:**  
ECEEN offers you competitive wholesale prices on all the products you find in our Online Wholesale Shop. The prices you see here are sample single-unit prices only.
- **Drop Shipping:**  
What if you don't want to deal with the headaches of handling goods, warehouse space, shipping and product returns? Then drop shipping is the answer. ECEEN allows drop-ship orders for all registered customers with no extra charges.

**SP-065W**  
SUNPOWER Solar panel charger  
Product size : 318\*175mm  
Solar panel : 6.5Watts  
USB with voltage regulation function  
Charging your Phone + Battery under sunshine

**SP-629**  
SUNPOWER Solar charger  
Product size : 650\*210mm (unfold)  
Solar panel : 6.5Watts / 6V  
USB with voltage regulation function  
22% high efficiency

**ECE-630**  
SUNPOWER Solar panel charger  
Product size : 400\*340mm  
Solar panel : 13Watts  
Dual USB with voltage regulation function  
Charging your Phone + Battery under sunshine

**ECE-613**  
SUNPOWER Solar panel charger  
Open size : 370\*325mm  
Folding size : 185\*325mm  
Solar panel : 13Watts  
Dual USB ports, Charging your phone under sunshine

**ECE-627**  
SUNPOWER Solar panel charger  
Solar Charger size : 318\*650mm (Unfold)  
Solar panel : 26Watts  
18V DC and 5V USB output from the solar charger  
For Power Bank, Pls check ECE-16000 on Page 10

**ECE-626**  
SUNPOWER Solar panel charger  
Product size : 318\*175mm  
Solar panel : 13Watts  
Dual USB with voltage regulation function  
Charging your Phone + Battery under sunshine

**EP-7W (5V/7W)**  
Foldable solar charger  
Open Size : 570\*215mm  
Folding Size : 215\*190mm  
Thickness : 10mm (with USB port: 22mm)  
Net Weight: 340g

**EP-10W (5V/10W)**  
Foldable solar charger  
Open Size : 765\*215mm  
Folding Size : 215\*190mm  
Thickness : 17mm (with USB port: 23mm)  
Net Weight: 450g

**SP-010 (5V/10W)**  
Foldable solar panel charger  
Folding size : 180\*210mm  
Open size : 620\*210mm  
Thickness : 24mm  
Net weight : 530g

**SP-007 (5V/7W)**  
Foldable solar panel charger  
Folding size : 200\*195mm  
Open size : 400 \*195mm  
Thickness : 12mm  
Net weight : 330g

**SP-014 (5V/14W)**  
Foldable solar panel charger  
Folding size : 180\*210mm  
Open size : 800\*210mm  
Thickness : 30mm  
Net weight : 700g

**SP-020 (18V/20W)**  
Foldable Solar Panel  
Folding size : 200\*255mm  
Open size : 900\*255mm  
Thickness : 30mm  
Net weight : 850g

**ECE-602**  
Soft solar power bag  
Size : 55\*36\*23cm  
Battery : 5000mAh & 10000mAh (Optional)  
High efficiency solar panel, transfer rate: 22%  
Solar Panel: 6.5watts SUNPOWER

**ECE-612**  
Soft solar power bag  
Size : 54\*39\*22cm  
Battery : 5000mAh & 10000mAh (Optional)  
High efficiency solar panel, transfer rate: 22%  
Solar Panel: 6.5watts SUNPOWER

**ECE-611**  
Solar Camel Bag  
Bladder bag capacity: 2L  
Size : 47\*33\*10cm  
Battery : 5000mAh & 10000mAh (Optional)  
High efficiency solar panel, transfer rate: 22%  
Solar Panel: 6.5watts SUNPOWER

**ECE-624**  
Solar Leisure Bag  
Bag size : 40\*32\*16cm  
Material: Canvas  
Battery : 5000mAh & 10000mAh (Optional)  
High efficiency solar panel, transfer rate: 22%  
Solar Panel: 6.5watts SUNPOWER

**ECE-628**  
Solar hiking bag with 10W sunpower charger  
Bag material : 600D Polyester  
Bag size : 67cm(L)\*31cm(W)\*15cm (thickness)  
sunpower : 10W, 6V  
With one USB port , can charge mobile devices under sunshine directly

**ECE-618**  
Solar Backpack  
Bag size: 47\*36\*20cm  
Material: Canvas  
Battery: 5000mAh&10000mAh (Optional)  
High efficiency solar panel, transfer rate: 22%  
Solar Panel: 10watts SUNPOWER

**ECE-619**  
Solar Backpack  
Bag size: 55\*44\*27cm  
Material: Poly 1680D  
Battery: 5000mAh&10000mAh (Optional)  
Solar Panel: 10W/6V

**ECE-625**  
Solar Camera Bag  
Bag size: 39\*23\*17cm  
Material: Nylon 1680D  
Battery: 5000mAh&10000mAh (Optional)  
High efficiency solar panel, transfer rate: 22%  
Solar Panel: 6.5watts SUNPOWER

**ECE-088**  
Solar Backpack  
Size: 48\*40\*20cm  
Material: Nylon  
5000mAh battery inside  
6V 5watts solar panel

**ECE-025**  
Solar Backpack  
Bag material: 1680D  
Bag size: 45\*38\*16cm  
Solar panel: 3.6watts(Removable)  
Lithium Battery: 2200mAh

**ECE-925**  
Solar Backpack  
Size: 45\*38\*16cm  
Material: Polyester 1680D  
2200mAh battery inside  
6V 2.4watts solar panel

**ECE-926**  
Solar Backpack  
Size: 45\*38\*16cm  
Material: Polyester 1680D  
2200mAh battery inside  
6V 2.4watts solar panel

**ECE-605**  
Solar laptop bag  
Size: 44\*35\*15cm  
5000mAh battery inside  
Solar panel: 5W/6V

**ESC-001**  
Portable solar case  
Bag material: PU  
Size: 16\*11\*3cm  
Solar panel: 1.35 Watts  
With Lithium Battery inside: 2200mAh

**ECE-001**  
Solar Backpack  
Bag material: 1680D  
Bag size: 45\*38\*16cm  
2PCS solar panel: 3.6watts  
Lithium Battery: 2200mAh

**ECE-035**  
Solar Speaker Backpack  
Bag Size: 48\*32\*16cm  
Bag Material: Poly 600D+PU Leather  
Solar Panel: 3Watts  
With 2200mAh Battery inside

**ECE-047**  
Solar bicycle bag with speaker  
Bag material: 600D+PVC  
Bag Size :28\*16\*16.5cm  
Solar panel: 1.8watts  
With Lithium Battery: 2200mAh

**ECE-045**  
Solar fishing bag  
Bag material: 600D CAMO  
Bag Size :46\*28\*28cm  
Solar panel: 2.4watts  
Battery: 2200mAh

**ECE-033**  
Solar Sling Bag  
Bag material: 600D  
Bag size : 36\*25\*8cm  
Solar panel: 1.35w  
Lithium Battery: 2200mAh

**ECE-034**  
Solar sling bag  
Bag material: 600D  
Bag size :36\*25\*9cm  
Solar panel: 1.35watts  
With 2200mAh battery

**ECE-051**  
Solar Camera Bag  
Bag material: 600D  
Bag Size :31\*130\*23cm  
Solar panel: 1.35watts  
Battery: 2200mAh

**CB-010**  
Solar Beach bag  
Bag material: 210D  
Bag Size :43\*30\*13cm  
Solar panel: 2.4watts (Removable)  
With Lithium Battery: 2200mAh

**ECE-002**  
Solar Backpack  
Bag material: 1680D  
Bag size :45\*38\*16cm  
Solar panel: 2.4watts  
Lithium Battery: 2200mAh

**ECE-012**  
Solar triangle bag  
Bag size :40\*30\*10cm  
Bag material: Polyester 420 D PU  
Solar panel: 0.82watts  
Lithium Battery: 2200mAh

**ECE-029**  
Solar waist bag  
Bag material 600D  
Solar panel: 1.35watts  
Size: 21\*14\*17mm  
Lithium battery: 2200mAh

**ECE-022**  
Solar Leisure bag  
Bag material: PVC  
Bag size :34\*23\*13cm  
Solar panel: 2.4watts  
With Lithium Battery: 2200mAh

Item No: ECE-003  
Portable Power Battery

With 2200mAh battery  
For iPhone, Samsung, HTC blackberry etc.  
Size: 100\*62\*13mm

Item No: ECE-5000  
Waterproof power battery (5000mAh)

Waterproof design  
Input & Output: 5V/1000mA  
Size: 120\*65\*15mm  
5000mAh Li-battery inside

Item No: ECE-10000  
Waterproof Power Battery  
10000mAh battery inside

Capacity: 10000mAh  
Input: 5V/1A  
Output: 5V/1A, 5V/2.1A(Max)  
Size: 145\*80\*16.5mm  
Net weight: 230g

Item No: ECE-16000  
Laptop Charger Battery

16000mAh battery inside  
Power from 5V, 8.4V, 9V, 12V, 16V, 19V, and 21V  
LCD display the power level and charging status  
Size: 180\*110\*24mm  
Net weight: 600g

Accessories

LED torch

Item No: ECE-200  
Solar lid light (Sun Powered Lids)

Size: D17\*72mm  
Weight: 50g  
1.2V/500mAhNi-MH battery inside  
With 2V/0.16Watt solar cell

Display your favorite holiday treasures with illumination  
Create unique displays of candies, photos, found objects  
Light up your walkway, driveway, patio, garden  
Use on a window sill or shelf as a night light

Item No: ECE-400  
Solar lantern (Waterproof and Foldable)

Brightness levels & Waterproof

10sq ft of light

6 hours of charging time

Foldable design

Size: 120\*80\*10MM(L\*W\*H)  
Unit weight: 75g

Great for camping, hiking, Parties, (car)roadside assistance, sailing, maritime rescue, blackouts or anywhere light is needed.

Item No: ECE-1207  
Solar power system (12V7AH)  
It's with Audio & FM radio player  
It's can show the power level  
Size: 230\*110\*150cm  
Weight: 4.5KGS

Working for	Using Time	
	ECE1212	ECE1007
MP3/FM's playing	More 100hours	More 80hours
Mobile Charging	More 50 hours	More 30 hours
5Watts Lamp *2PCS	More 12 hours	More 9 hours
Laptop Charging	More 5 hours	---
DC Charging in (12V 2A)	6 hours	3.5 hours
Solar Charging in(20Watts)	10-12 hours	---
Solar Charging in(10Watts)	---	10-12 hours

Item No: ECE-1212  
Solar power system (12V12AH)  
It's can charge laptop  
It's with Audio & FM radio player  
It's can show the power level  
Size: 230\*110\*150cm  
Weight: 5.5KGS

**SP-40W**  
SUNPOWER Foldable solar panel  
Open size : 85\*28cm  
Folding size : 28\*28cm  
Solar panel : 18V 40Watts  
Net Weight : 1. 0KGS

**SP-60W**  
SUNPOWER Foldable solar panel  
Open size : 86\*30cm  
Folding size : 43\*30cm  
Solar panel : 18V 60Watts  
Net Weight : 1. 38KGS

**SP-80W**  
SUNPOWER Foldable solar panel  
Open size : 114\*30cm  
Folding size : 43\*30cm  
Solar panel : 18V 80Watts  
Net Weight : 1. 8KGS

**SP-100W**  
SUNPOWER Foldable solar panel  
Open size : 142\*30cm  
Folding size : 43\*30cm  
Solar panel : 18V 100Watts  
Net Weight : 2. 2KGS

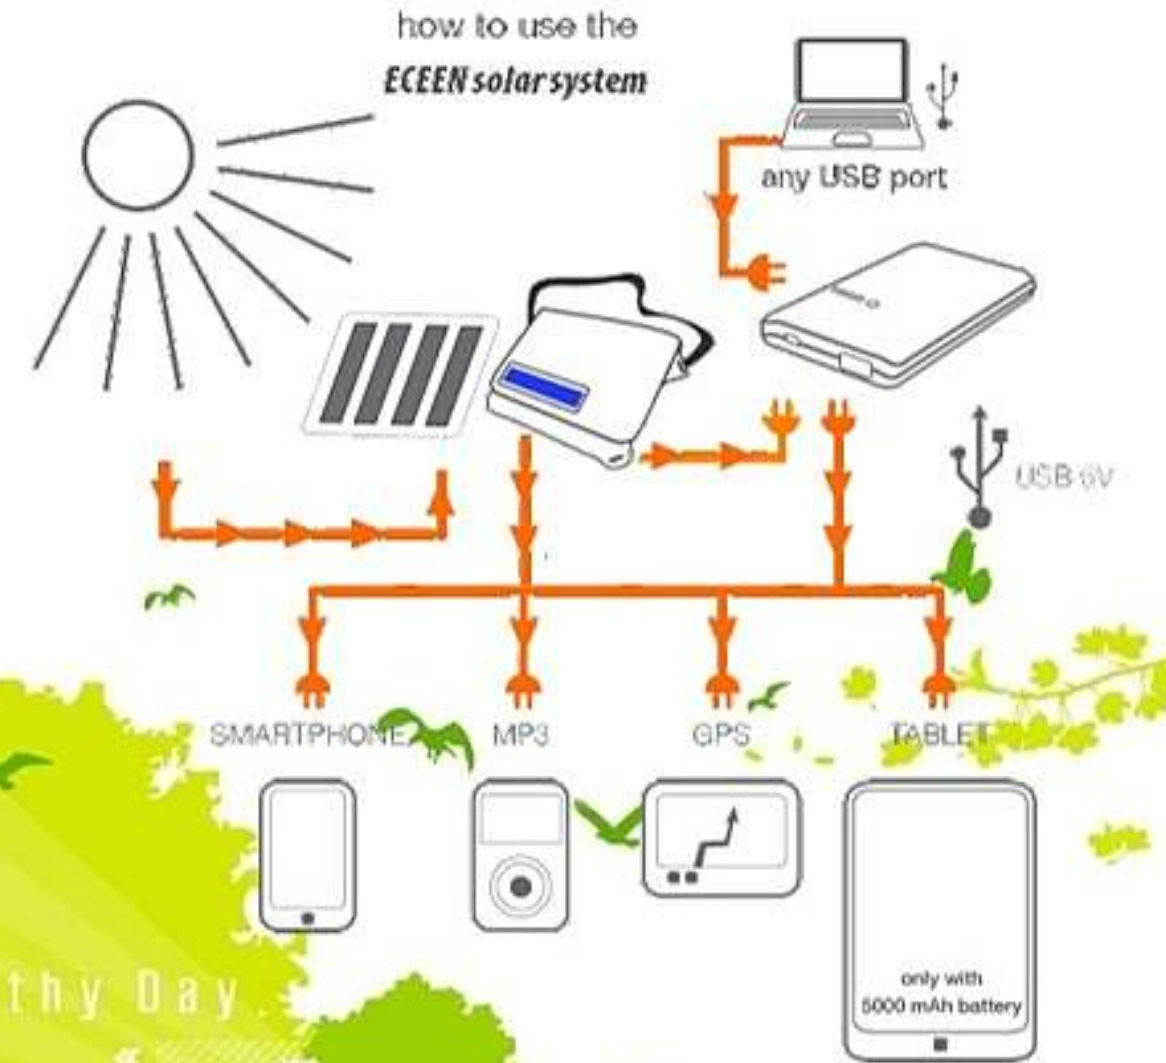

**SP-120W**  
SUNPOWER Foldable solar panel  
Open size : 175\*30cm  
Folding size : 40\*30cm  
Solar panel : 18V 120Watts  
Net Weight : 2. 5KGS

**SP-130W**  
SUNPOWER Foldable solar panel  
Open size : 157\*54cm  
Folding size : 32\*54cm  
Solar panel : 18V 130Watts  
Net Weight : 2. 7KGS
